

WeatherAction forecasts spot-on in run-up to Xmas

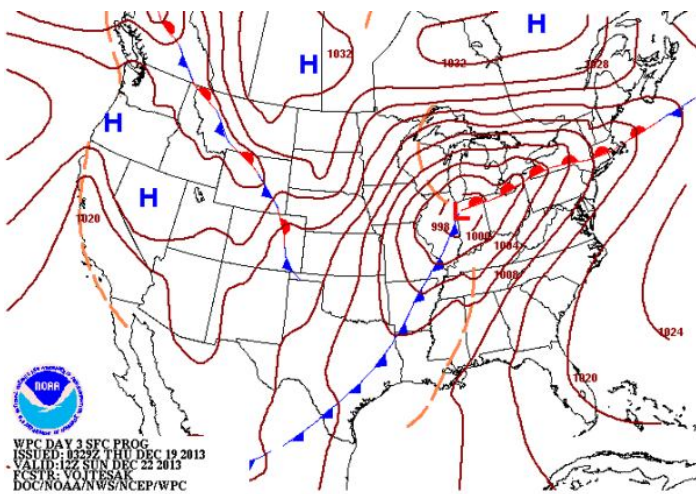

Disruptive storms, snow and ice for travel in the pre-Xmas weekend were well forecast by WeatherActionUSA over 3 weeks ahead.

“Forecast users and observers have been very impressed by our forecasts all year. Getting the Snowmageddons (and we ain’t thru yet!) right and reliable weather views well ahead of the pre-Xmas period is really useful. WeatherAction forecast users are ahead of the rest. Our **special offer for ALL winter months forecasts at 1/3 off** (see below) – giving you the rest of December and Jan and Feb on issue is a great early Xmas gift to yourself or Yours. Or why not subscribe for the whole year? What could be a more timely Xmas gift?” said Piers Corbyn, astrophysicist of WeatherAction.com
