29th May 2009

Dear Piers

Audit on Severe Weather Event Predictions Made by Weather Action Oct 08 - Apr 09

Please find enclosed, the Severe Weather Event Assessment from October 2008 to April 2009. Each event has been independently looked at in turn and verified using the links provided.

If WeatherNet agree with the outcome of the forecasted event then we have confirmed by placing **'Confirmed'** next to the event score in the yellow header at the top of each page.

Weather Action achieved an overall score of 8.5/9 for US based predictions.

Yours Sincerely

Martin Lilley (BSc. Hons)
Meteorologist - WeatherNet Ltd
