

CV19 'Plandemic' Lockdown IS NOT FOR YOU IT'S AGAINST YOU

Whatever the origin or nature of COVID19 it's now clear that it's not a pandemic and that the Lockdown and (Anti) Social-Distancing "advice", done in most countries, FAILED even in its own terms.

- **More people are now dying & suffering from the Lockdown** – cancer from lack of treatment, suicides, madness etc - than the Govt claims the Lockdown saves! *In New York new CV19 cases are now 7x MORE LIKELY for people staying home than working!!*
- **Social Distancing fails. It's a PSYOP.** Countries who didn't do it are fine! CV doesn't jump. Face-masks don't work and **they're mental trauma for kids.** CV is 15x smaller than dust masks stop! Masks make you more ill (by holding droplets) than help!! (<https://bit.ly/3bUeniu>).
- **CV can't last 3 minutes** in sunlight and warmth terminates it too.
- We're heading for **A BLAZING JUNE** you've gotta breakout of the Lockdown prison PUT in your mind. Unlock for VitD and **LIFE!**

Lockdown is a false narrative PsyOp – a 'New Normal' attack on Civil Liberties. It's rule by diktat of the Mega-Rich and Mega-Corps. Unless we stop it we'll suffer:-

- **THE END** of culture, social life, pubs+cafes; Jobloss, bankruptcies of SMEs +take-overs by MegaCorps.
- **Big-Pharma forced, or co-erced, harmful vaccinations plus micro-chipping,** worldwide.
- **Imposed 5G (+enhanced 4G3G) by Big-Tech, The New "Tobacco Lobby" of dodgy testing & cover-ups, CONTROL** in a **New-'1984 style'-World-Order.**

FACTS

- **CV19 ISN'T a pandemic.** Total deaths Jan-April Usa, EU, UK Flu-Season are **lowest** for 5 years. On 19 March COVID19 was declared **NOT a High Consequence Infectious Disease (HCID).**
- **Vaccination (VAX) is NOT necessary.** Deaths by serious other issues are systematically mis-labelled CV19. **Almost ANY % amount could be claimed!** The Govt (Patrick Vallance) said deaths by CV19 **don't mean THAT** because they include many who weren't tested! (+*The tests aren't reliable!*) **No-one need die of CV19** alone as **proven cures** eg Chloroquine+Zinc exist.
- **Forced VAX (+ID2020 micro-chipping) is a deadly scam** by #BillGatesOfHell's BigPharma +WHO (World Health Organization) to make \$billions and **IMPOSE** a "New-Normal" – a New-World-Order and Population reduction.
- **5G (+enhanced 4G3G) is dangerous.** It can enhance to deadly levels CV blood-disorders (CV isn't pneumonia). CV19+5G enhance each other's ill effects & 5G's a huge world surveillance Control Op.
- **The Unemployed** from crashing the economy get pushed into **dependence +control by the State** – for forced VAX, micro-chipping, deadly **failed** VAX experiments like Bill Gates did in Africa+ India, **depopulation** and more 'BigBrother' Ops. **Africa, Watch-It!**
- **The Climate-Change hoax** stays as the top ideological justification of these globalist control of people and resources in **UN Agenda21 /2030**, their Big-Brother Rule book for these New-World-Order measures.

OUR "NEVER AGAIN" CHARTER

WE say NO to Government talk of 'New Normal'

WE havn't had a vote on any Lockdown measures

WE need OUR OWN NEW NORMAL of RIGHTS:

- **NEVER AGAIN to a fake Pandemic Lockdown – attack on Civil Liberties. No more PSYOPs!**
- **DEMOCRATIC ACCOUNTABILITY!** No more decisions by any with corrupt Conflicts Of Interests. The Govt, UN-W.H.O are full of them.
- **END CENSORSHIP by BBC, MSM, Twitter, Facebook etc. Break-up Media Empires!** We must build our OWN alternative independent media.
- **RECLAIM THE NHS! Make it Accountable!** It's been stolen from us in the Plandemic. It's serving the interests of the Mega Rich. **It's not a NATIONAL Health service anymore.** More people are dying from mental and other issues, than are supposedly saved from CV19. The Lockdown's left them behind. The NHS isn't allowed to save them. **If we don't fight-back the Govt's 'New Normal' will mean NHS privatization.**
- **INDEPENDENT monitoring - and allocation of Cause Of Death - in NHS. ALL Science options** must be discussed, not just dodgy ones fixed for the MegaRich +their Mega Corps
- **NO FORCED VAX** or microchipping.
- **HOUSING FOR ALL.** Govt said they'd house the homeless in Lockdown but they didn't. **Requisition empty properties!**
- **REVERSE 5G (and enhanced 4G3G).** Take down the towers! It's an evil 'smart' spy operation. **Proven 5G +4G3G bad health impacts** are suppressed by the W.H.O ("owned" by #BillGatesOfHell).

• End The LockDown

There's more dying being kept out of NHS by the Lockdown than even the Government claims the Lockdown saves!

• Discuss Schools

They should go back ONLY IF there's NO Social-Distancing which is mentally damaging to children and there's NO Telecom Towers which emit bad radiation within 400 yards
