## **STOP the “100 day Vax” mad Program!** **END fake “Climate driven Pandemic” scare!**

Piers Corbyn exposes the latest **Climate-Change alarm Report** as fraud and warns it is timed to promote a so-called 'Climate driven Pandemic' fake narrative used as a factor to back the drive for "100 day vaccines" - which would lock mankind into dependence on #BigPharma in the World Economic Forum's New World Tyranny.

### **Man-Made Climate Change Does not Exist!**

“The latest UN climate report (1) released via the MetOffice is fraud and is being used to help re-launch the failing Pandemic narrative to control the world population. **Man-made Climate change doesn't exist.** CO2 levels **follow** temperature changes and don't drive or ever drove temperatures. The CO2-based Climate-Change story is fake science and against basic physics. See (2). **Climate policies aren't to control climate they're to control YOU!**

### **The World is cooling not warming!**

"The 'IPCC Working Group II' Report (3) is a deceitful word-salad of alarmist assertions which nowhere shows any connection between temperatures or climate events and Co2 levels. In acres of self-referencing it dishonestly asserts connections which do not exist and claims the world is warming when it has been cooling, under their own official data, for the last 7.5 years. See (4) and (2).

### **Official temperature records are faked to fit the warmist narrative!**

"The official caretakers of data (the Hadley Research centre) fraudulently changed data sets a number of times when world cooling occurred again and again. It is in fact apparent from unmolested real data that the world has been cooling since around 1998 or the early 2000s. See (2) & (4) and various presentations by Piers Corbyn in the last 20yrs such as in New York, Colorado, New Mexico, Tunis and at the Russian Academy of Sciences Moscow.

### **They make up data to impose mad green attacks on urban life!**

"Further the WGII report (3) makes-up a false story of CO2 sources & sinks in the World to back money-grabbing anti-business, ant-family schemes. This is in denial of reported observations - See (2), Philip Foster section.

### **Oh No, Another Con! - Plandemics “helped by Climate Change” ?!**

"The long-prepared, fake Climate-Change assisted Pandemic story is helping justify **CEPI, the Coalition for Epidemic Preparedness Innovation** - another BigPharma & Bill Gates initiative – this one to re-start failing virus contagion fear and usher in **new dependence on so-called vaccines to be produced in 100days** from any “new” virus story. This deadly dangerous scheme which will cause, like the latest 'covid' jab schemes, ongoing tragic **INCREASES** in illness and deaths must be **STOPPED** and **Our freedoms, bodily autonomy and our natural innate-health /immune systems must be defended.** Jabbed and Jab-free **UNITE!**

### **UNITE IN ACTION TO BREAK New World Tyranny attacks!**

“We challenge the protagonists and activists of climate, virus and jabbing expertise or activity to **Public Debate on TV or any public place** and for them to **UNITE** with us to oppose real chemical, smoke and particulate pollution which is covered-up by the phoney CO2 story; and further to join us in defending **ALL Rights+Freedoms** which are also now under attack in attempts to impose the New World Tyranny ("Order")

### **Action Monday March 7 & more.** Watch for news => [www.StopNewNormal.net](http://www.StopNewNormal.net)

SUPPORT action at the **CEPI conference Mar7** (venue tba) & other events where we will demand an end to fake science & corrupt research & propaganda & to **Replace it with accountable evidence-based science & politics.**
