Masks can't stop any virus!

It's like hoping
a fence will
stop flies!!!!

Viruses are so tiny they
go through masks!

In comparison they're a tenth
of the size of the fence grid =>

Why are we told to do things that don't work?

- SEE what's happening! It's to get you to SUBMIT to losing more jobs and rights – like the Rules for “playground safety” (pic). **Masks are a SUBMISSION TEST!**
- To get us ready for more Lockdowns to end freedoms & impose more NewNormal / New-World-Order tyranny like in Australia **+mass experimental dangerous VAX**

It's been planned for decades by the UN*+megaCorps. The virus scare is **CONTAGION FEAR** between us all. **Covid Rules control YOU not “Covid”!** *UN Agenda 21 - 2030

The Covid - symptom virus doesn't EXIST!

- **Independent Experts** – not owned by BillGates' World-'Health'-Organization (W.H.O.) - demanded by letter the PM give proof the Covid19 virus exists under standard scientific tests. (See www.StopNewNormal.net & StandUpX.info). After 5mths there's no proof! Claims it's been 'genetically' found is like saying bananas can grow into humans because their DNA is 60% the same! **DAFT!**

Tell Politicians to **OPPOSE** virus hoax attacks on rights+Jobs or **GO** from office

- **SO WHAT HAVE PEOPLE BEEN GETTING?** The “virus” is no worse for illness & death rates than normal cold/flu and people who actually die are all very old and/or had **other** serious illnesses which killed them. **THE NHS falsely claims many died of “COVID19” when it was something else.**

There've been strange “Covid19” symptoms of Oxygen deficiency but these are also **provenly**** caused by extra 5G-4G* **which gives the same symptoms.** BBC+ITV don't tell you that! **BigTelecom are a “New Tobacco Lobby”.**

THEY LIE. **See <https://bit.ly/36IWySh> purple links **Was it 5G in Wuhan China?

- **'Reasons' for new Lockdowns and controls are more FAKE than ever!!**
