

IT'S A HOAX!

THINK! Back in March we were told Lockdown 3 weeks and we'll be OK. **NOW, SEPTEMBER,** They're imposing **MORE** measures while hardly anyone is getting ill. They test more so "find" more who *might* have something, or not. BBC+ITV are 24/7 scare stories to con you.

WAKE UP! Their agenda isn't to help you but to bring in a NewNormal with MegaCorporations on TOP +you DOWN.

Covid measures don't control a Virus they CONTROL YOU

Jobs, economy, sport, holidays, education, culture destroyed for no more than the illness/death rate of annual flu/cold! - TOTAL MADNESS!

- EMPTY ambulances have been driving around with sirens on to scare you into submission to the NewNormal – and an even more Fake "2nd Wave"
- MORE** are made ILL or KILLED by each 'Covid19' Rule than are saved!

IT'S A HOAX to destroy Freedom Rights, Jobs, & to CONTROL YOU!

CHEER NHS whistleblowers NOT the NHS propaganda CON! Our NHS has been stolen!

Govt experts have *failed* to show a Covid-causing bogey virus really exists!!

SIGN THE PETITION OF THE CENTURY!

Masks can't stop any virus!

It's like hoping
a fence will
stop flies!!!

Viruses are so tiny they
go right through masks!
In comparison they're a tenth
of the size of the fence grid =>

Why are we told to do things that don't work?

- SEE what's happened! It's to get you to SUBMIT to losing more jobs & freedoms – like in the Rules for “playground safety” (pic). **Masks are a SUBMISSION TEST**
- To get you ready for more Lockdowns which to end freedom and impose more Nazified NewNormal rules – New-World-Order tyranny like in Australia + mass VAX. It's been planned for decades by the UN*+megaCorps. The virus scare is **CONTAGION FEAR** between us all. **Covid Rules control YOU not “Covid”!** *UN Agenda21-30

The Covid - Symptom virus doesn't EXIST!

- **Independent Experts** – not owned by BillGates' World-'Health'-Organization (W.H.O.) - demanded by letter the PM give proof of the Covid19 bogey virus under standard scientific tests. (See StopNewNormal.net and StandUpX.info). After 5mths there's no proof! Claim they've 'genetically' found it is like saying bananas can grow into humans because their DNA is 60% the same!

THE VERY BIG ONE

- **SO WHAT HAVE PEOPLE BEEN GETTING?** The bogey virus is no worse for illness & death rates than normal cold/flu and people who actually die are almost all very old & had other illnesses which killed them. **THE NHS falsely claims many died of COVID when it was something else.**
- **It's true there have been strange symptoms** of oxygen deficiency but these can also provenly* be due to increasing 5G4G** which causes the same symptoms. The BBC+ITV don't tell you that! **BigTelecom are A “New Tobacco Lobby”**. THEY LIE. (*See <https://bit.ly/36IWYSh> purple links) **Was it 5G in Wuhan China?
- The 'reasons' for any more Lockdowns will be more FAKE than the last. **ALL OUT Sep26! NO More Lockdowns! SAVE LIVES!**
